Dear Sir,

**Sub: Grant of Good Laboratory Practice (GLP) Certification to R&D facility of the Company situated at Nandigaon Village, Ranga Reddy District, Telangana.**

Ref: Intimation under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We are pleased to inform that, the R&D facility of NACL Industries Limited, situated at Nandigaon Village, outskirts of Hyderabad, Ranga Reddy District-509228, (Telangana), India has been accredited for "Good Laboratory Practice" (GLP) vide Certificate No. GLP/C163/2021 issued by National Good Laboratory Practice Compliance Monitoring Authority (NGCMA), Department of Science and Technology, Government of India. This certificate is issued for Physical-Chemical Testing (including Five Batch Analysis) and is in compliance with OECD Principles of GLP. The certificate will remain valid for the period ending 15<sup>th</sup> April, 2024.

The OECD Principles of Good Laboratory Practice (GLP) ensure the generation of high quality, reliable and reproducible test data related to non-clinical health and environmental safety studies. Registration authorities of all OECD countries (which includes USA, Canada, Australia, Japan, UK, Germany and many other countries) will now accept the test data generated out of the

aforesaid R&D facility centre of NACL. These data are also required for registration of crop protection chemicals in various other Countries.

NACL's R&D facility, being already ISO 17025 accredited and also recognized by the Department of Scientific and Industrial Research (DSIR), Government of India, is engaged in the process development of agrochemical active ingredients, intermediates and formulations. It has also expertise in synthesis of standard impurities required for five Batch analysis and in Analytical method development.

You are requested to take the above information on records.

Thanking you,

for **NACL Industries Limited**
