

Who we are

We live our lives in harmony with nature, aiding its flourish and creating value for our stakeholders, customers, employees, and the bountiful world we live in. We believe in giving back and living with integrity and acting with honor and responsibility to the best of our ability.

What we stand for

Since its Inception, NACL has always strived to ensure that industry serves as a force for good in society. Through its emphasis on sustainability and responsibility, it has ensured that chemical industries, which produce essential goods, also become integral parts of the communities that they serve.
